WEDDING WEBSITE

Your wedding website allows you to easily view, edit, share and order prints online. Your site is hosted by Pictage (www.pictage.com), the nation's leading wedding website company offering high quality proofs, prints, books and albums. You see your images first and once you "release" your pictures, your families and friends may also see them online. Your images are categorized for you; Getting Ready, Ceremony, Reception, etc., and are presented in chronological order. Your images can be displayed as small or large thumbnails or as a slideshow. You can place favorite images into folders and change photos to B&W or Sepia. The website can also be password protected. With the online "Album Designer," an album of your favorite images can be assembled and once finalized, can be printed, bound and delivered within four weeks.

ADDITIONAL INFO

Travel Expenses

I love to travel and am always willing to work with you regarding destination weddings. The best way to find out, is to send me an email or give me a call.

Deposit

A deposit of half the coverage fee, paid by check or credit card, is required to hold your wedding date. The balance of the coverage may be paid prior to the event or on the day of the wedding. If you choose to make the final payment the day of the wedding, I ask that it be paid before shooting begins. Please contact me anytime with any questions, requests, or concerns. Congratulations!
